The user is logged in as Philip Brear. The main navigation bar includes "My Institution", "Courses", "Community", and "Content Collection". The left sidebar contains a "Course Tools" menu with the following items: Announcements, Blackboard Collaborate, Blogs, Collaboration, Contacts, Course Calendar, Journals, McGraw-Hill Higher Education (highlighted with a red box), Messages, SafeAssign, Self and Peer Assessment, Send Email, Tasks, Tests, Surveys, and Pools, Wikis, Evaluation, and Grade Center. The main content area shows a "No Course Announcements" message, an "Alerts" section with "Past Due", "Early Warning System", and "Activity Alerts" all showing "No Notifications", and a footer with the Blackboard logo and copyright information.

3. انقر فوق «Pair Course with a Connect Section»

The screenshot shows a Blackboard course page for McGraw-Hill Higher Education. The browser address bar displays the URL: https://mhedemo.blackboard.com/webapps/Bb-McGrawHill-BBLEARN/app/universal/tools?course_id=PkId{key=_6632_1,%20dataType=blackboard.data.course.Course,

The page header includes navigation links: My Institution, **Courses**, Community, and Services. Below the header, the course name "McGraw-Hill Higher Education" is displayed, along with an "Edit Mode is: ON" indicator.

The left sidebar contains a navigation menu for "CENG 201" with options: Home Page, Information, Content, Discussions, Groups, Tools, and Help. Below this is a "COURSE MANAGEMENT" section with "Control Panel" and "Content Collection". The "Course Tools" section lists: Achievements, Announcements, Blogs, Collaboration, Commercial Content Tools, Contacts, Course Calendar, and Course Messages.

The main content area is titled "McGraw-Hill Higher Education" and features several McGraw-Hill Connect options:

- McGraw-Hill Connect**: McGraw-Hill Connect is a web-based assignment and assessment platform that helps connect students to their coursework and to success beyond the course.
- Pair Course with a Connect Section**: Pair your Blackboard Course with Connect now. Paired Connect Section: **Not associated with a Connect section.** A red arrow points to this option.
- Learn about McGraw-Hill Connect**: Learn more about McGraw-Hill Connect.
- McGraw-Hill Connect Library**: Explore learning resources for your course.
- LearnSmart**: LearnSmart is an adaptive learning system designed to help students learn faster, study more efficiently, and retain more knowledge for greater success.
- Lecture Captures**: Students learn better when they're actively engaged with the material. Lecture Capture offers new ways for students to focus on their coursework, both in and out of class.

Below these options is the "McGraw-Hill Create" section, which includes "Go to My Create Textbooks".

The Windows taskbar at the bottom shows the system clock at 12:57 on 27/01/2016, along with various application icons.
